Pursuant to the provisions of the Reciprocity Agreement between your Fund and my Home Fund, I hereby request that you transfer to my Home Fund the Pension contributions made in my behalf to your Fund during the calendar year 20_____. During said year, I worked for the following employers who made or should have made contributions in my behalf to your Fund:

_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

I understand that if this request is approved and the transfer made, I shall no longer have any claim on your Fund for said contributions and/or for any benefits which otherwise might accrue under your Fund to my beneficiaries based upon said contributions and that my eligibility for any benefits based on said contributions shall be determined solely in accordance with the provisions of the Pension Plan established by my Home Fund.

In consideration of your transferring said pension contributions in accordance with this request, I hereby release you and your successors from any future claims, by me and/or anyone claiming through me, based upon said contributions or benefits which might have arisen had this requested transfer not been effected or based on the fact that the transfer may not prove to work to my eventual advantage.
